TX-S2783

27" SlimFit™ TV with ATSC Tuner

SlimFit™

Samsung's 27" Widescreen SlimFit™ SDTV takes traditional CRT TV to a new heights with innovative Samsung technology. Imagine breathtaking clarity and stunningly vibrant colors, tucked into a sleek black bezel design that is thinner than the regular flat CRT TV. You'll enjoy rich Dolby Digital surround sound, emitted through built-in silver side speakers that add a smart touch to the overall aesthetic appeal. Elegant, space-conscious, and budget-friendly, Samsung's TX-S2783 is the perfect choice for every room of your home.

TX-S2783

27" SlimFit™ TV with ATSC Tuner

TV/Video

4:3 aspect ratio

Built-in ATSC/NTSC tuner (tunes & processes 720p, 1080i, 480p and 480i signals)

Display format 480i

Progressive Scan 480p DVD compatible: accepts a 480p signal via a component input from a Progressive Scan DVD Player or game console.

Finer pixel dot pitch DynaFlat™ HD CRT improves picture resolution and brightness with a greater amount of individual picture elements being illuminated.

Velocity scan modulation sharply defines edges and outlines by controlling the speed of transitions between the black and white portions of the signal.

Color temperature controls: Cool, Normal, Warm, selectable with On-Screen Display.

4 video presets optimize the picture for the type of program being watched. Presets: Standard/Dynamic/Movie/Custom with user adjustable brightness, contrast, sharpness, color, and tint.

Digital comb filter

Dynamic black level expansion & white peak limiter further improves picture contrast.

181-CHANNEL synthesized tuning

Convenience

Convenient front panel control key buttons for accessing menu settings without the remote.

Universal remote controls most brands of VCRs, DVD players and cable boxes.

Remote Surf™ timer returns TV to original channel so other channels can be browsed during commercial breaks.

Previous channel button permits switching back and forth between two channels.

Variable sleep timer to turn the TV off in varying time intervals.

Clock and On/Off timer

Closed Caption (CC)[1]

V-Chip system[1]

Easy navigation with a translucent on-screen menu display

Trilingual on-screen display English, Spanish or French.

Screen filling picture modes: Normal, Wide, Zoom 1, Zoom 2, Panorama (less stretching in the middle and more towards the edge).

Auto channel programming memorizes only active broadcast and cable channels. Manual add/delete option included.

Self diagnostic system displays help messages to facilitate proper set-up and operation.

Audio

Stereo broadcast reception (MTS & SAP)

Second audio program (SAP) capability.

Auto volume leveler keeps audio volume consistent during channel changing to minimize static sound bursts.

Turbo sound boosts high and low audio frequencies

Audio output right and left main: 7W x 2

2 way (left & right) high quality audio driver compliment

Preset sound modes include Standard, Movie, Music, Speech (focuses on dialog and reduces background)

Connections

A/V input: 1 side

S-video input: 1 side

DVD component video input: 1 rear

RF inputs: 1 rear

Quality

Warranty: 1 year parts and 1 year labor warranty (90 days parts and labor for commercial use), with in-home service, backed by Samsung toll-free support.
